Senior Civil Engineer (2 Positions)

The Housing Authority is Fiji's premier housing developer and its core-function is to develop and deliver affordable and quality land and housing packages to its customers together with competitive mortgage financing options.

The Authority seeks to recruit a dynamic, self-motivated, enthusiastic, result oriented, mission focused and high achiever individual with strong commitment to the on-going improvement of the organization, for the position of **Senior Civil Engineer (2 positions)** in the Housing and Land Development Division based at the Authority's headquarters in Valelevu, Nasinu.

Job Summary

You will represent the Authority's interest in the control and management and ensure the safe, timely and well-resourced completion of all land and housing subdivision development projects. Your role will require you to have the requisite skills, confidence and ability to negotiate and manage land development contracts with consultant engineers and other industry representatives. Hands-on experience in infrastructure design and development including roads, sewerage, water and electricity is highly desirable.

Qualification and Experience

You must have a Graduate Degree in Civil Engineering with a major in Land Development Planning, Design and Construction with a minimum of 7 years experience in a commercial/engineering environment.

Essential Attributes

- Must have a thorough knowledge of engineering duties in designing, development and construction of land and housing subdivision development
- Must be knowledgeable of related engineering softwares for design and construction management
- Must be a member of the Fiji Institute of Engineers or other recognized professional engineering organizations
- Must have excellent writing and communication skills
- Must be a strategic thinker and possess excellent interpersonal, analytical and presentation skills.
- Must have strong negotiation and leadership skills
- Proven ability to work within tight deadlines and with minimal supervision.
- Must possess a valid driver's license.
- Strong service orientation.

Salary

The successful candidates will be offered a 3-year contract with an attractive remuneration package commensurate with qualification, experience and skills.

Application

Your letter of application together with detailed curriculum vitae, names of three referees with their telephone contacts, marked “**Vacancy for Senior Civil Engineer**” should be forwarded no later than 4.00pm on Friday 23rd October 2009 to, The Chief Executive Officer, Housing Authority, PO Box 1263, Suva, or hand delivered to Housing Authority, Valelevu House, Nasinu, or emailed to recruitment@housing.com.fj. All applications will be treated in strict confidence.
